## Commercial and Money Matters.

There was a fair business done at the Board to-day, generally at fall prices. Harlem improved 1; Bank of Commerce 1; Farmers' Trust 1; New-Jersey 1. Mohawk declined }. State Stocks continue in good demand and improving. State 5 is went up 1; Illinois 6s 1. In Foreign bills there is little doing; Sterling 5; a 5; France 5 464 a 5 45.

Alabama is rather better, say 13 a 131 The Frederick (Md) Examiner states that " an attempt has been made to get a firm of engravers in this city to print \$10,000 of bank notes, payable at the bank in Frederick, no doubt for fraudulent purposes, as no one had any such arrangement with the Bank." A similar attempt was made in Philadelphia, but failed, as the engravers communicated with the bank on the subject.

The following item is from Thompson's Bank Note Reperter. Thompson must have received it by magnetic express from Albany, as the report has not yet been made: Extract from the forthcoming Report of the Bank Com-

In the matter between the Lewis Co Bank and the broker who protested \$5000 of its notes and demanded 20 per cent interest, the Bank Commissioners, before whom the case was laid by the broker, decided immediately and unanimously that he had as good a claim for the interest as he had for the principal. In justice to the bank, however, we mention that the Cashier had authorized the payment of the interest before the decision of the Bank Commissioners

was had. The Courier states that on the day the forged check for \$3,500 of S Draper, jr. was presented at the bank, a man made a purchase of Mr. Simmons in Greenwich street, but 19, 45, 75. not having money enough went to his boarding-house in Dey street, accompanied by Mr. S.'s shop boy, for the money, and not finding enough there, sent the boy to the bank with the \$3,500 check, the money for which the boy paid to the man at the corner of Broadway and Courtland street. It strikes us that the Teller of the Manhattan is much to be blamed for paying so large a sum to a boy and without knowing the endorsement on the check, as must have been

Markets-Carefully reported for The Tribune.

FRIDAY, Jan. 27.

ASHES .- We cannot learn that there is any movement among the shippers since the news by the Caledonia was made public. We hear of sales of 30 bbls Pots at 5 50, and 15 bbls Pearls at 5 561, the latter, if not the former, for home use. There have been some receipts by the river to-cay, but how much is not known. At Havre, Dec. 31, there was no demand whatever; quotations 45f for American Potash, and 48f for Pearlash per 50 kil. duty (8f 25) paid. Stock 1,680 bbls pots and 400 bbls pearls.

COTTON .- Late yesterday some buyers came into market and bought to the extent of 1,200 bales. To-day the sales are about 1,000 bales. Some of the factors think that the market has a downward tendency, and is, if any thing, a shade lower than before the steamer. Others, however, think the market without change, and firm. We quote fair Upland 61, round, 61 a 62 square; fair N Orleans and Alabama 7c. At Havre, S1st Dec. there was a good business doing, but holders selling freely, no advance had been ob tained. Upland was most abundant. Stock 110,000 bales, against 90,000 last year. Sales of the week 6,136 New Orleans, duty paid, 50f a 94f; 220 Mobile 72 a 80f; 3530 Upland 52 a 86f. FLOUR AND MEAL .- There is very little doing to-day, and prices are unsettled. Several boats arrived to-day, and brought something over 8,000 bbls Flour of all kinds. Of this we have only heard of sales of Michigan at 4 571, and more offered at the same price. 4 50 is asked for Genesee, and sales of a brand a little extra were made at that rate. Several offers of 4 374 were made and refused. For a parcel of Troy received 4 50 is asked. There have been a few sales of N Orleans, from wharf, at 4 25. In Southern there is not much doing. We notice a sale of 230 bbls Petersburg at 4 25, and 330 bbls Howard street on private terms. We quote the common qualities at 4 121 a 4 25; Georgetown and Howard st 4 25 a 4 371; Brandywine 4 621. Meal is rather dull; sales 60 hhds Brandy wine; Brandy wine bbls are worth 2 75; Jersey 2 50 a 2 621. Rye Fiour 3 25 a 3 374. At Baltimore Howard sreet was dail at 3 75; City Mills \$1, 4 mos.

GRAIN-There is a little more inquiry for Wheat, but we bear of nothing doing. The small stock here is held ducing arsenic into some toast tea which her physician, Dr above the market. Some Corn has been received by the McEwen, had prescribed for her. From the statements hoats which have arrived, but the demand is not active. It is offered at 52 a 53c. The stock of Rye is also much increased, and sales of 3000 bushels were made on private terms, supposed 57, and 600 do at 56c. This is a considerable decline. More offered at the same. A parcel of Barley of 1900 bushels, just arrived, sold at 43c. Oats are more plenty and the price has declined. We quote Northern SI a S2c. Sales 1200 bushels Jersey at 27c; 21co do superior Virginia at 24c, and 1500 do River on terms not known. At Baltimore

LIVERPOOL, January 3, 1843.
Referring to your last report of the 3d ult, on the state of

American provisions we have now to wait on you with present state of our market. Cheese—In this article only a moderate amount of business has been done; a circumstance consequent, in some measure, on the season of the year; but now that we hav got into the new year, a better state of things is expected. The few sales that have taken place have ranged, from middling to fine, at 46s a 52, and very superior has commidding to nne, at sos a 32, and very superior nas commanded 54s per cwt duty paid. We are happy to add, that this parcel was declared equal to any Irish Beef in quality. The price obtained was 65s a 75s in bond per tierce of 304 lbs, being equal to 44s a 50s per bbl, and was taken by a provision dealer for cabin use. From this sample our hopes are raised, that our future receipts of United States new Beef will compare well with the Irish, and lead to a higher character than of late obtained. As all other transactions are in old Beef, we omit quotations, they being exceedingly low, and might only mislead. Our they being exceedingly low, and might only misfead. Pork, US.—We have had large imports from Canada during last month; and the stock is swelled to 3,512 barrels, in bond; a large proportion of which is old, and dull of sale. No new American has yet been brought to market; but if it should keep pace with the improvement in Beef in quality, doubtless a good demand would spring up for suips; use and export, if not for lowe consumption. As the transactions export, if not for home consumption. As the transactions re confined to old American, we omit to quote prices -When new is in market we hope to report favorably. Duty 8s per cwt. and 5 per cent. added.

FRIDAY . January 27. CIRCUIT COURT .- Before Judge Kent.

Ketcham, Rogers & Bement, vs. Wm. B. Carlock .- The defendant agreed with William B. Jessup, 44 Broadway, to deposit notes as collateral, and receive 50 per cent. advance on them, for which he was to pay 21 per cent. commission and 10 per cent, interest. These notes were not to be trans ferred by Jessup. When Carlock obtained the advances he was made to give memorandum checks, which he usderstood to be in the nature of receipts. Mr. Edward M Morgan furnished the money to Jessup, and received the notes and memorandum checks, all of which he passed away. Among the notes was one for \$210, signed by Ste phen Byerly & Son, Philadelphia, and endorsed by defend-ant, which fell into the hands of Messrs. Ketcham & Co., on which they bring action. The defence is that the note had been improperly diverted; also, that value had not been received, &c. Mr. Jessup testified that Mr. Edward M. Morgan was a party to the transaction, and knew that the notes were not to be transferred. This is dealed. Effort was made to impeach the character of Mr. Jessup, and thus break down his test imony : but counter evidence was offered on his part. A verdict will be rendered this forenoon.

cent. He paid \$1500 cash for 50 shares, and made a deposit of \$400 with Mr. S. towards 120 shares more, which were to be taken in 30 days. At the end of this period the stock was down to 191, and Mr. Sylvester demanded the differ ence, which, in connection with brokerage, and allowing the \$400 deposit, amounted to \$1200. For this sum Mr. Clark gave his note, which was subsequently transferred to plaintiffs, and they bring suit for the amount. For the defence it is urged that Mr. Sylvester refused the terms when first offered him. He, however, subsequently received intelligence of the suspension of the U. S. Bank of Pennsylvania, and knew that the N. A. Trust Co. stock would b injured by it and fall, and immediately sent word to Mr. Clark that he had bought the stock for him. It is further contended that Mr. Sylvester never bought any stock to Mr. C., or transferred any to him. It was shown that Mr. Sylvester owned the stock and held it during the 30 days. The case will be continued in the Superior Court Room

MARINE COURT .- Before Judge Sherman.

John Donohue vs. Patrick McBarron,-Action for damages in digging away an embankment on detendant's premises, which plaintiff placed there in filling up the adjoining lot, doing so by consent of owner of the lot which de fendant occupied. Verdict for defendant.

POLICE OFFICE .- PASSING A COUNTERFEIT Bill. On Thursday night, a man named John Rhodes went into the store of Leonard C. Heath, No. 297 Grandstreet, and purchasing a comforter for 25 cents, gave in payment a \$5 counterfeit bill, purporting to be of the Blackstone Canal Company, Providence, Rhode Island.-Mr. Heath having previously heard that a similar bill had been offered at Mr. Morgan's, in the Bowery, at once de tected the bill as bad, and had Rhodes sent to the watch. house. To-day he was examined, and after stating that he was 19 pears old, followed the sea for a living, and resided at Johnstown, near Providence, refused to answer any more questions, and was sent to prison. In the counterfeit bills, the word Providence is spelled with a b, thus, Provibence, and the signature of Brown, the President, is in very

pale isk. The bill is otherwise well executed. ANOTHER COUNTERFEIT CASE. -A man named Jacob O'Brien went on Thursday night to the store of Mr. B. G. Kidder, No. 312 Greenwich street, and offered a \$5 counterfeit bill of the Blackstone Canal Co. Bank, Rhode Island, in payment. The bill was pronounced bad, and O'Brien left, going to the store of Mr. Adolphus Andrews, No. 439 of the same street, where he offered the bill in payment for another bar of soap. Mr. Kidder, who had followed, informed Mr. Andrews that the bill was bad, when the latter caused O'Brien to be arrested and lodged in the watchhouse

and he was to-day sent to prison, CHARGE OF POISONING .- Mr. Timothy Mount, of No. 72 Casnon street, was arrested on Toursday night, by Officers Relyea and Kellinger, charged with having on the 19th of December attempted to posson his wife Mary Ann, by intro made at the Police Office by the witnesses, it appeared that previous to giving his wife the tea Mr. Mount said it must be sweetened, and turning his back he put in something he cailed sugar, which he had purchased himself-a Mrs, Pritchard, Mrs. Casey and a servant girl being in the room. Mrs. Mount, of tasting the toast ten, complained that it had a nauseous taste, and refused to drink it; the servant girl then tasted it, as did also Mrs. Casey, and in hke manner complained of the taste. Mr. Mount then took the vessel containing the liquid and threw it in the clean chimneyplace of another room. The girl soon after sickened, and Dr. McEwen, believing her poisoned, relieved her with proper remedies, and she recevered. Mrs. Mount did not take enough to sicken her, and got well. Dr. Mckwen carried the vessel that had contained the liquid to Dr. Chil ton in Broadway, but the quantity of substance in the vessel was so small as to dety analysis. Dr. Chilton then (the 18th inst.) went to the house of Mr. Mount, and scraping up the substance that had been thrown in the chimney place carried it to his laboratory, and carefully analysing the same, detected a sufficient quantity of arsenic to cause the death of one or two persons at least. The result of the investigation being made known, complaint was made by Mrs. Mount and others against Mr. Mount, and he was arrested as above stated. He was examined this afternoon, and ordered to find bail in \$ .000 to answer. He is a person of property, and so was his wife, to whom he had been

considered highly respectable.

Morrill, in prison on a charge of having forged checks on the Manhattan Bank for \$6,520 in the name of Simeon Draper, Jr., and obtained the money, was brought out on a writ of habeas corpus to-day such out by P. Wilson, Esq. before Judge Inglis, in order to have him discharged or his bail reduced. The Judge refused either to discharge him or to reduce the bail, which the magistrate had fixed at \$5000, and he was remanded to

Coroner's Office .- Accidental Death .-The Coroner held an inquest to-day at the City Hospital or the body of Francis Connery, cab-driver, a native of Ire land, aged 50, residing at No. 31 Rende-street. The deceased on the 13th inst. was hired to convey a passenger in his cab from the Franklin House in Broadway to some place up town, and by the sudden stumbling of his horse was pre-cipitated from his seat to the pavement with such force as to frightfully fracture his 'eft' leg. NEW-YORK CASH TAILORING ESTABLISHMENT, 142 Fulton-M., New-York. The undersigned, in announcing to their patrons their determination to adhere strictly to the principle of cash deals ing in their business, would take occasion to say that they have become well satisfied of the practicability and usefulness of such a plan by the uniform success which has attended its operation in their house from the commencement. The advantages derived by the customer from the adoption of this system-thereby realizing a gain of 30 per cent apon credit prices-they conceive perfectly obvious, and therefore need no comment. Of the merits of their house and the facilities with which they are invested of furnishing

a cheap and rich garment, they will not dilate-fully assured as they are that this simple fact is too well known their celebrity too well established, to require further remark. And in calling the attention of the gentlemen of the United States, and New-York in particular, to their assortment of choice goods, they will merely observe that undeviating punctuality and dispatch in answering the commanda of their friends is as much a part of their system as cash payments. n30 istf J.
